## Pipers Hold Top Spot; Meet Spur

### Abilene B Defeated Game Here Friday

Holding the top position in the District 6-A competition, the Pied Pipers of Hamlin were preparing this week for the long trek to Spur, where they will play Friday evening.

The Pipers, sparked by the elusive tactics of tiny Joe Ford, trounced the Abilene Eaglets on the home field last Friday evening. The score was 18 to 6.

Hamlin's fleet-footed halfback, Ford, heaped honors upon himself and his team by scoring three touchdowns. He scored early in the first quarter on a 40-yard dash, and again in the second and third quarters with short runs around the end.

Hamlin made 148 yards to 77 for Abilene, and the Pipers completed two out of six pass attempts, while the Eaglets completed five out of 13.

Abilene's Charles Dennis was outstanding for the visiting team. He tossed 13 passes, seven of them good for 86 yards. One of these passes, a 30-yard throw to Robert Jones, left end for the Eaglets, resulted in the only touchdown for Abilene.

The Pipers were looking forward hopefully to the game with Spur Friday night, and Coach Jesse Burditt said he believes the team is in top condition. No player is out of the game because of injuries.

Burditt said the locals will face tough competition when they meet T. Aldrich, Spur's stellar halfback. In a game last week with Haskell Indians Aldrich made 75, 60 and 44 yards in three tries. He is a 2-

year letterman. Haskell defeated Spur 26 to 6.

The Pipers will have the same starting lineup as last week, unless Hamlin wins the kickoff. In that case, Burditt said, Joe Ford, will not be in the starting lineup.

The standing of teams, in percentages, in District 6-A (West) as of last week was:

Team	P	W	L	Pct
Hamlin	2	1	0	.750
Rotan	2	1	1	.500
Roscoe	2	1	1	.500
Colorado City	2	1	1	.500
Snyder	2	0	2	.000
Merkel	2	0	2	.000

## Eradication of Rats in Hamlin Is Urged by CC

A campaign to eradicate rats in Hamlin was discussed at a meeting of the board of directors of the Hamlin Chamber of Commerce Tuesday morning, and plans were made for inaugurating such a program here.

Mrs. E. M. Wilson, secretary of the body, was instructed to write to the typhus control division of the state health department for full information concerning such a campaign.

Rats have been appearing in Hamlin in increasing numbers since feed crops have been harvested in nearby fields, it was pointed out, and their presence in town constitutes a menace to health.

The State Health Department has conducted rat killing campaigns in various parts of the state with considerable success, the board was told. A recent campaign in Abilene resulted in the killing of hundreds of the destructive rodents.

## Migratory Labor Camp Reopened in Hamlin

Reopening of the migratory labor camp in Hamlin was voted at a meeting of directors of the Hamlin morning.

W. L. Beavers was put in charge of the camp, which has been made ready to take care of the transient labor groups coming through here.

The camp is designed for providing shelter for cotton pickers who come here for the harvest.

## Assembly of God to Have Revival Meeting

The first service in a revival meeting will be held in the Hamlin Assembly of God Church on South Central Avenue, Sunday evening, September 26.

The meeting will be directed by the pastor, Rev. Lester N. Woods, who recently came here from Phoenix, Arizona.

Special music will be presented each evening, Rev. Woods said. The public is invited to attend.

## Hamlin High School Lists New Students

Students enrolled in Hamlin High School for the first time were listed this week as members of the faculty and the student body welcomed them.

Those listed are: Nadine Blount from Quanah, senior; James Marshall from Ballinger and Billy Roach from Belen, New Mexico, juniors; Clovis Williams from McCaulley, and Billy Sutherland from Seymour, sophomores; Melba Hale, Sweetwater, John Morton, Post; Barbara Posey, Chillicothe; Dorothy Turner, Irving and Jackie Williams, McCaulley, freshmen; and Billy Hazelwood, Monahans, eighth grade.

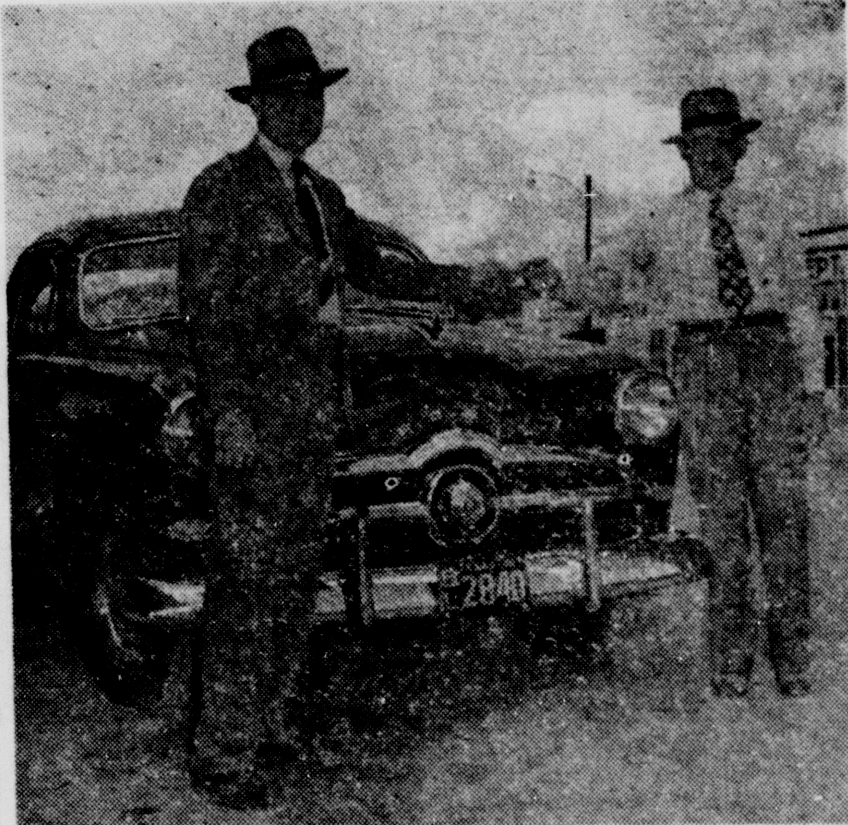

## Trades Day Program Continued 6 Months

Hamlin's Trades Day program, which brings hundreds of nearby residents to town each Wednesday, will be continued for at least another six months if business houses want it to continue.

Support of the program was voted at a meeting of the board of directors of the Hamlin Chamber of Commerce Tuesday morning.

Business firms now cooperating in the trades day feature will be given an opportunity to determine if they wish the program to be extended for the next half year.

**FANCHER ENLISTS.**  
James Arnold Fancher, 30, son of Mrs. Iva Fancher of McCaulley, has enlisted for service in the Army according to an announcement made by the Sweetwater Recruiting Station.

I. R. Hutchingson, superintendent of Hamlin Schools, is shown receiving keys to the 1949 Ford coupe from Art Carmichael of the Hamlin Motor Company. The car was furnished the school for the purpose of establishing a driver training class, which is taught by Joe Douglas.

## A HOLIDAY FOR THE FIREMAN...

### New Fireless Record Believed Set in Hamlin After 40 Days Without Blaze

Hamlin's volunteer fire department has had more than 40 days of leisure, while the siren that wails the mournful tidings of a destructive blaze somewhere in Hamlin, has been silenced.

What is believed by Fire Chief Mickey McGuire to be an all-time record of fireless days has been set by the long absence of alarms.

He said the present record extends farther than an like term for the past 20 years, and it is believed that no similar time in the history of the department has passed without at least a small blaze.

Hamlin has not had even a false alarm since August 10, McGuire said. It was on that date that a fire swept through the home of Freddie Thompson in the northeast part of town and destroyed the house and contents. Loss in that blaze was set at \$1,500.

Several weeks went by last year, McGuire said, without a fire, but the present 43-day record tops last year's record by more than 10 days.

Members of the fire department had their fingers crossed this week, and were involving every other form of superstition and voodoo in an effort to ward off a destructive blaze in Hamlin.

"After so many weeks of extremely hot and dry weather," McGuire said, "we are afraid that a fire would be hard to handle, especially if one should get a good start before the department arrives."

The fire chief warned residents to be extremely careful with grass and trash fires, and to take every precaution to prevent accumulation of fire hazards in the houses and outbuildings.

The chief and members of the department would like to run the fireless record up to at least 100 days without a blaze.

## Parent's Club To Promote Cub Scouts, Elects

A re-organization meeting for the members of the Cub Scout Parent's Club was held in the Elementary School cafeteria Thursday evening of last week.

J. C. Scott was elected chairman of the club. Other officers selected were: Brad Rowland, vice chairman and Holly Toler, secretary. Members present for the meeting were: Mr. and Mrs. Ben Parker, Mr. and Mrs. Noel Weaver, Mr. and Mrs. G. A. Semour, Mr. and Mrs. J. C. Scott, Mr. and Mrs. J. E. Johnson, Mr. and Mrs. Eddie Jay, Mr. and Mrs. G. M. Sutherland, Mr. and Mrs. Joe League, Orvil T. Kelly, Mrs. W. D. Adair, Mrs. Herbert Bernshausen, Mrs. Tom Vaughan, Mrs. Grady Smith and Mrs. E. R. Rector Jr.

Members of the pack committee are: J. C. Scott, chairman; Eddie Jay, program chairman; Joe League, achievements chairman; Tom Vaughan, finance chairman; Holly Toler, public relations chairman; Orvil T. Kelly, cubmaster and Ben Parker, assistant cubmaster.

Dens that were meeting last year will continue to function as outlined at the meeting. Parents of boys who soon will be nine years of age, and parents of boys from nine to 11, are invited to meet with the pack officers in order to better understand the work of the cub organization.

## Carter is Renamed to Serve on WTCC Board

Haskell W. Carter was reappointed a member of the West Texas Chamber of Commerce board of directors as a representative of Hamlin, at a meeting of the Hamlin Chamber of Commerce directors Tuesday.

Carter served in the position last year and his appointment was approved unanimously.

The annual district convention of the WTCC will be held in Breckenridge Friday, October 8, Carter announced, and will be attended by Holly Toler, Starr Inzer and Carter from Hamlin.

## Two Wells Near Hamlin Complete For Production

Two wells in the Hamlin field, west of here in Fisher County, were completed this week with good production in both, and arrangements were made for drilling of two others, reports from the field indicated Wednesday.

The No. 3 G A P-e, drilled by Dr. W. H. Bryant, gauged 240 barrels of high grade oil after it was put on test last week-end.

Dr. Bryant skidded the rig this week to a new location, 933 feet north of the Poe No. 3 where he will begin drilling within a few days on the No. 4 well.

The Ashby Drilling Company No. 2, was completed this week with good production seen by oil men, but no official gauge had been made prior to Wednesday. The well is located on the G A Poe land.

The Ashby Company skidded the derrick to a 46-acre tract where they will put down an offset to the Bryant No. 1 well.

In the Noodle Creek production area one mile west of McCaulley, Humble Oil & Refining Company was trying for completion on two new producers, the No. 1 Jeannette Nickless and the No. 2 W F Davidson.

The No. 2 Nickless, 660 feet from the north and east lines of the southeast quarter section 60 HT&B survey block 1, had been cemented off at bottom and perforated with 175 gallons of acid. After the treatment it swabbed 10 barrels of fluid per hour. Swabbing and testing was being continued.

On the No. 2 W F Davidson, 660 feet from the north and 1,380 feet from the west line of the southwest quarter of section 59 block 1 HT&B survey, completion was being attempted. The well had been treated with 280 gallons of acid and swabbing produced a small amount of oil. It was to be reacidified in an effort to increase the oil yield.

## Lions Officials At Zone Meeting Monday

Three officials of the Hamlin Lions Club attended a meeting of Zone 2-E clubs in Merkel Monday Chamber of Commerce Tuesday night, where a banquet was served and business matters were discussed.

Those attending from Hamlin were: Stanley Carmichael, Onis Crawford and Clarence Bailey. The giving of reports at the meeting required two full hours, Bailey said.

## BROTHERS UNDER THE SKIN...

### Warlike Friendship of American and Chinese to Bring Both Together Here

A common bond—faith in God—long and hazardous trip to the which led an American flier and a Chinese college student into close friendship during the dark days of World War II, will bring them together again in the First Baptist Church of Hamlin Friday night.

The two—former Lieutenant Ernest Winter, now a dental student in Baylor University, and Joe Ma, a member of the Chinese underground—will appear on the program at a meeting of the Hamlin Baptist Brotherhood, when both will be on the program.

The Brotherhood meeting has been set for 7:30, according to Lester Morton, president, and members are urged to bring their wives. In fact, Morton said, any person, whether a Baptist or not, is invited to attend.

The story of Winter and Ma reads like a tale of sheer fiction—fiction with a happy ending. Winter, a pilot of the U. S. Navy Hellcat, was caught alone, high above the clouds off the coast of Formosa, by a swarm of Jap Zeros. The battle was brief but violent. A burst of machinegun fire sent Winter's Hellcat spiraling to the sea, leaving a swirling trail of smoke. The Zeros, pulling back into formation, went zooming on their way.

Winter, uninjured, jumped just as his plane hit the waves, and a nearby Chinese fishing boat picked him up out of the water and took him to friendly Chinese on the coast.

It was then that he started the

## Directors Debate Fate of Hospital

### Suit for Receiver May Be Filed Soon

Fate of the Hamlin Memorial Hospital was being debated Thursday afternoon in a meeting of the unofficial board of directors, who met in offices of the Farmers & Merchants National Bank at 4:00 o'clock to discuss the situation.

Starr Inzer, who had been named manager of the hospital upon the resignation of Bowen Pope, presented the situation to the directors and asked for full discussion. He requested each man present to express his opinion on the matter in an effort to learn all facets of public opinion.

Inzer has prepared a full inventory of the hospital assets and has made arrangements for instituting

suit to ask the court for appointment of a receiver, if the other members of the board deemed such a move wise.

If the directors vote for receivership for the institution the suit will probably be filed within a few days for action by the present term of district court in Anson, Inzer said.

After presentation of the situation in an article in The Herald two weeks ago many business and civic leaders have expressed their opinions that no other course would be practical, and the consensus was that a receivership would be the best answer to the hospital's seemingly unsolvable problems.

In the meantime operation of the institution was being carried on smoothly, with patents receiving full attention. The hospital has been placed under the management of Dr. J. F. Hocott and Dr. E. L. Haag pending settlement of the situation.

If a receiver is appointed by the court the directors will attempt to liquidate the indebtedness of the hospital by sale of the property to doctors who will agree to continue the hospital here.

Under the present set-up, it was pointed out, it is necessary to have at least three-fourths of the 451 stockholders present at a meeting in order to make any changes in the by-laws or constitution. It has proved impossible to secure attendance of that many people at a meeting, Inzer said.

Total indebtedness of the hospital is approximately \$28,000, and the institution has an appraised value of approximately \$30,000.

## Hamlin Square Dancers Bid to Governor's Ball

An invitation to the Hamlin Square Dance team to perform at the inauguration of Governor Beauford H. Jester in January has been received by Mrs. I. R. Witt, one of the members of the organization.

The Hamlin group danced 19 exhibitions last year at the Texas Square Dance Festival, and has been invited to participate in 12 exhibitions at the inaugural in Austin.

The invitation came this week from the Henlee Square Dance Studio in Austin, which has been given the responsibility of providing dance entertainment for the governor's inauguration.

The Hamlin team has also been invited to attend the West Texas State fair in Abilene next Tuesday night, where it will participate in square dancing activities.

Members of the local team are: Mr. and Mrs. I. R. Witt, Mr. and Mrs. Buck Wilmon, Mr. and Mrs. Guy Jones and Mr. and Mrs. Guy Jones.

## ATTEND BETHANY COLLEGE.

Three Hamlin young people have enrolled in the Bethany-Peniel College, Bethany, Oklahoma, for the current term. They are: Ralph Johnson, Milton Johnson and Bess Jones.

## Fair Boosters Rotary Guests Here Wednesday

A group of 34 business and professional men from Abilene visited Hamlin Wednesday to advertise the West Texas Fair, which will open in Abilene Monday for a week's run.

After visiting various business houses in Hamlin, members of the group were guests of the Hamlin Rotary Club at the weekly club luncheon in the Morgan House.

A brief program was presented in which John Womble, secretary of the Abilene Chamber of Commerce, acted as master of ceremonies.

Womble introduced individuals from Abilene and made a short talk inviting Hamlin's support of the West Texas Fair.

"It is not the Abilene fair," he said, "it belongs to all of West Texas. Without the cooperation of Jones County and Hamlin and other areas the fair would be a dismal failure."

A musical program was presented by the stringed band known as the West Texans.

The Hamlin club voted commendation to Bowen Pope, member of the local organization, who has completed 17 years of perfect attendance as a Rotarian.

## McMurry Lost Game; Hamlin Players Star

McMurry College, Abilene, lost its opening football game to the Texas College of Mines in a game at Odessa Saturday 33 to 14, but two Indian players, both from Hamlin, assumed stellar roles in the tussle.

Brad Rowland, 180-pound back of Hamlin was a standout in running, passing and line-driving. Les Cowan, 235-pound end, also of Hamlin, was no less spectacular in his tricky pass-catching from Rowland as Vernon Townsend. His longest catch of the evening was a 29-yard pass from Rowland that brought the crowd to its feet cheering.

The Indians are scheduled to play East Texas Baptist College in Abilene Saturday, September 25.

**RADIO PROGRAM PLANNED.**  
A mock radio program is being planned for presentation in the First Baptist Church by members of the young people's group, Saturday night, September 25. The program will open at 7:30. Radio stars to be presented will be "Frank Sinatra," "The Denning Sisters," "The Andrews Sisters," "Frankie Carle," and others.

## Tax Statements Ready for Mail By October 1

Hamlin taxpayers will receive statements of their 1948 taxes about October 1, Mrs. Clinton Barrow, city tax assessor and collector, said this week.

Mrs. Barrow has been working on the statements, getting them ready for mailing and said the task will be completed before the latter part of next week.

A total of \$22,777.39 in taxes are shown on the 1948 rolls from an assessment, rendered and unrendered, of \$1,485,141, Mrs. Barrow revealed.

Taxpayers may pay their taxes during October and receive a three per cent discount. If paid during November the taxpayer will earn a two per cent discount, and if paid during December the discount will be one per cent.

The net amount will be due if property owners wait until January 1 to pay the tax bill, and a penalty will be added if the tax is not paid before January 31.

Mrs. Barrow urged property owners to take advantage of the larger discount by paying when the tax rolls are first opened after October 1.

## Mighty Mice Face Merkel in First Game of Season; Unbeaten 2 Years

Hamlin's junior football team, the Mighty Mice, will face the Merkel team on the Hamlin field Thursday night, and will make a tremendous effort to retain their long record of wins.

The Mighty Mice have been unbeaten in two seasons, and Coach John Howell said his team is shaping up nicely for the opening game of seven seasonal contests.

Daily drill has been the lot of team aspirants since the boys were issued uniforms several weeks ago. More than 75 boys have reported out for training.

The game will be played in the Hamlin park and will be called at 8:15.

Starting lineup for the Mighty Mice will be:

Moyle Hargrove LE; Clark Hewitt, LT; Donald Armstrong LG; D. N. Johnson C; Kevin Rogers RG; Guy Weaver RT; Robert Fletcher RB; Marvin Johnson QB; Charles Early RH; Troyce Hargrove LH; Milton Butler FB.

## Back to First Principles

There is not even a remote possibility that J. Strom Thurmond will be elected president of the United States this year. There is not even a remote possibility that he will gather enough electoral votes to be a major contender.

But the campaign being waged by Thurmond will serve an excellent purpose in this nation, even though he himself goes down in obscure defeat.

For far too many years the trend of government has been away from local control, and toward a centralized power in Washington. For far too many years politicians have wilfully ignored the direct mandates of our constitution and have slowly but surely taken from the states their right of self-determination.

The Thurmond movement is focusing attention to the fact that this nation has almost lost its original identity as a federation of sovereign states and has become almost a huge federal bureaucracy, with powers of close control over the lives and activities of its citizens.

Whether one agrees with Thurmond on his ideas of racial segregation or not, it must be admitted that this is a problem to be worked out in each state, individually, within limits of the constitution.

And whether one accepts Thurmond's arguments against the anti-lynching laws this too is a matter which constitutionally is reserved for decision by each separate state.

The wise men who drew up our constitution seem to have foreseen just such a situation as we are facing today. They must have known that a central government would tend to take upon itself powers never granted it by the constitution. That is why they wisely set out specifically the powers that should inure to the federal government and expressly reserved all other powers to the separate states.

Our republican form of government is created on the premise that the people would have control of their government, rather than that the government should control the people. But the trend in recent years has been one of regimentation and control and of departure from the political faith of our fathers.

Mr. Thurmond may never come near to being elected president but he is calling the attention of the people in a dramatic way to the fact that states rights must be restored if we would preserve our democratic form of government.

## The Production of Men

Devoted exclusively to the mental, moral and physical development of boys, the Boy Scout movement in America has grown to be one of the most vital influences in our country in the molding of character.

Many people who are not familiar with the complete scouting program are likely to believe that it consists only of hikes, outings and entertainment. Not so. The Boy Scout movement is grounded in a foundation much deeper than the physical, it finds its strongest roots in the spiritual nature of the youths it serves.

Many unselfish men and women in Hamlin have devoted much time to the development of Boy Scout work here, and to them is due all honor. They are giving freely of their time and their money, but the investments they are making will pay dividends of the richest kind.

The boys they work with now will be men in a few more years, and they will be men with high ideals, strong bodies and healthy minds because of this training they have been given in scout work.

It would be a wholesome thing if adults, too, would learn by memory, and repeat often the Scout oath: "Upon my honor I will do my best to do my duty to God and my country; to obey the Scout law; to help other people at all times, and to keep myself physically strong, mentally awake and morally straight."

Of such ingredients are built men—men who make good citizens.

## A Proud Record

The fireless record set in Hamlin during the past more than 40 days is one that should be viewed with pride by all residents of our town. Not often can a city of this size go more than 30 days without a blaze of some kind, and few of them can find any month in which some destructive blaze did not occur.

The long record without a fire alarm is due largely to the caution of citizens, who have demonstrated that fires can be kept to a minimum. Some of the credit, however, belongs to members of the Hamlin Volunteer Fire Department, which has worked hard during the past few years to educate Hamlinites on the dangers of fires.

It would be well for each of us to set to ourselves the task of seeing that the fireless record, already covering almost two months, is stretched out for many more days.

## Are You Going Thru CHANGE of LIFE?

causing you to suffer from **HOT FLUSHES?**

Does the functional "middle-age" period peculiar to women (38-52 yrs.) make you suffer from hot flushes, feel so nervous, high-strung, irritable, weak? Then try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. It's famous for this!

Taken regularly—Pinkham's Compound helps build up resistance against such "middle-age" distress. It's what Doctors call a uterine sedative. It positively contains no opiates—no habit-forming drugs. Pinkham's Compound helps nature (you know what we mean). It's also a great stomachic tonic! Any drugstore.

## A plus in any bus!

When you switch to Conoco N<sup>th</sup> Motor Oil and an OIL-PLATED engine, you get these triple advantages...

(1) Extra protection from power-clogging sludge and carbon due to wear; (2) extra protection from metal-eating combustion acids; (3) extra protection from destructive "dry" friction starts.

Because Conoco N<sup>th</sup> Motor Oil (Patented) fastens an extra film of lubricant so closely to metal surfaces that working parts are actually OIL-PLATED! This extra film stays up on cylinder walls... won't all drain down, even overnight. For plus performance... full-time protection... more miles per quart...

### Texas Tech Registers 4,186 for Fall Term

Enrollment at Texas Technological College, Lubbock, for the 1948 fall semester reached 4,186 last Friday afternoon with 2,000 additional applicants expected to complete registration in time for classes Monday morning.

Approximately 2,000 students a day were registered under the new system instituted by the registrar's office this year, eliminating long lines and the usual "bottle-necks."

W. P. Clement, registrar, estimated the enrollment will reach 6,500, which is almost 400 students more than attended the first term last year.

An official count of new students indicates the freshman class will have 1,300 members, and about 1,200

### Santa Fe Caladings For Week Take Drop

Carloadings on the Santa Fe railroad for the week ending September 18 were down slightly from the corresponding week of last year, a report issued Wednesday revealed.

For the week ending September 18, 1948 carloadings were 26,182 compared with 28,993 for the same week in 1947.

Of the new students on the campus are transfer students from other colleges in Texas and out of state.

### Veterans Can Get Life Insurance Policy Reinstated

World War II veterans still can reinstate their National Service Life Insurance, the Veterans Administration says.

Some veterans are under the impression they can no longer obtain this government insurance. World War II veterans who can pass a physical examination may reinstate their lapsed insurance at any time.

The deadline for reinstating NSLI without a physical examination was July 31, 1948, VA explained. Prior to the deadline, a veteran could reinstate lapsed insurance by certifying that his health was as good as it was when the policy lapsed.

This deadline confused some veterans who feel that they cannot reinstate lapsed insurance since the deadline passed. That is not correct, VA said.

Veterans may reinstate their insurance at any time by passing a physical examination. If the policy has lapsed less than three months, it still can be reinstated without taking the physical examination.

## Mr. and Mrs. Kemp Are Honored With Golden Wedding Celebration in Home

With all of their 12 children in attendance, Mr. and Mrs. Ben F. Kemp, pioneer McCaulley couple, were honored with a celebration of their fiftieth anniversary of their wedding in a celebration in the family home.

In addition to their 12 children, 11 of their 13 grandchildren attended the festivities, together with neighbors and friends from all parts of the surrounding area.

Mr. and Mrs. Kemp were married

in 1898. For five years after their wedding they rented land, but in 1903 they purchased the farm which has been their home since that time.

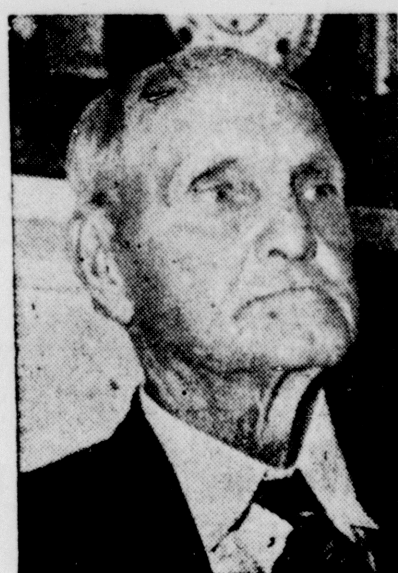

There has never been a death in the immediate family, Mrs. Kemp said, and added that neither had there ever been a divorce.

Kemp is a member of the Baptist Church, while Mrs. Kemp is a charter member of the McCaulley Methodist Church. She is also an active member of the McCaulley Home Demonstration Club, and has won trips to the A&M short course on two occasions.

Children and grandchildren who were present for the golden wedding celebration are: Mr. and Mrs. Ralph Kemp and son, Ralph Jr., Portales, New Mexico; Clyde Kemp, Post; Mr. and Mrs. Raymond P. Kemp and children, Donald Ray, Janell, and Judy, Sylvester; Mr. and Mrs. Frazier Kemp, Concho, Oklahoma; Mr. and Mrs. W. J. Kemp of Hamlin; Mrs. Ruth Crance and children, Patsy and Russell Jr., Arcadia; Mr. and Mrs. Rex Kemp and children, Jamie and Armita, Roby; Mr. and Mrs. Fred Kemp and daughter, Ann, and Mr. and Mrs. Frank Kemp, McCaulley, Mr. and Mrs. Scott Lee and son, Freddie Wayne, Ponder; and Mr. and Mrs. Guy S. Kemp, Midland.

## Novel Installation Is Conducted for Officers

A novel plan for an installation program was conducted by the Althean class of the First Baptist Sunday School when new officers were inducted Tuesday, September 14. The installation program was conducted in the home of Mrs. P. D. Harkins.

Mrs. Wallace Walton had charge of the program, which was a flower installation service. A large vase was placed on a center table, and as each officer assumed her duties a flower was placed in the vase until the bouquet was complete.

Officers installed and their flowers were: Mrs. I. D. Miller, president, represented by a gladiolus, which is a queenly flower.

Mrs. Ben Parker, membership vice president, a chrysanthemum; Mrs. B. W. Neidecken, stewardship vice president, a white carnation; Mrs. Marie Vaughan, class ministries vice president, a pink aster; Mrs. P. D. Harkins, fellowship vice president, a red carnation; Mrs. O. G. Harvey, secretary and Mrs. Earnest Lee, treasurer, marigolds.

Mrs. J. A. Strain, reporter, small chrysanthemums; Mrs. Oddis Hallmark, Mrs. Roy Brown, Mrs. Weldon Carter, Mrs. Kelley Scott and Mrs. E. B. Watson, group captains, red rose buds. A bow of ribbon was placed on the bouquet to represent the teacher, Mrs. Wallace Walton.

The bouquet was completed by the addition of fern and filler to represent members of the class.

Present for the ceremony were: Mrs. Floyd Briscoe, Mrs. Flora Carter, Mrs. O. G. Harvey, Mrs. Roy Brown, Mrs. P. D. Miller, Mrs. Oddis Hallmark, Mrs. Earnest Lee, Mrs. Ben Parker, Mrs. Wallace Walton, Mrs. C. B. Watson, Mrs. B. W. Neidecken, Mrs. Tom Vaughan, Mrs. J. A. Strain, and the hostess, Mrs. Harkins.

## PERRYMAN ELECTED.

Cleo Perryman was elected chairman of the board of directors of 6014 Club of the Hamlin VFW post in an election held last Thursday night.

Other members of the board named are: John Scarborough, Bill Milliron, J. D. Dutton and Irwin Smith.

Pictured in their home as they cut their Golden wedding Anniversary cake, are Mr. and Mrs. H. O. Cassle of Hamlin. Mr. and Mrs. Cassle were married September 5, 1898 in Morgans Mill. They have lived in Hamlin since 1906. Scores of relatives and friends gathered in the Cassle home Sunday, September 5, to honor the couple.

## Elementary School PTA Had Meeting Tuesday

First fall meeting of the Hamlin Elementary School Parent-Teachers Association was held in the Elementary School auditorium Tuesday evening.

Teachers of the school stood in the receiving line to meet the parents as they entered the building. From the receiving line they were taken to the school cafeteria where punch was served.

Following the reception the group assembled in the auditorium for a brief program. Mrs. Kenneth Parker presided and gave a welcome to both old and new teachers. Mrs. Parker then introduced Mrs. Fred

Smith, program chairman, who took charge of the program.

Invocation was given by J. Cleo Scott, following which Janet Bonner entertained with a piano solo. I. R. Hutchinson, superintendent of schools, talked on "A Recent Evaluation of Your Own School". Miss Eudora Hawkins of the West Texas Utility presented a film, "America, the Beautiful." Miss Harriett Evans dismissed the meeting.

## Retail Sales in Texas Take Jump in August; All Items Show Big Increase

August retail sales in Texas climbed three per cent from July to an estimated \$435,000,000, the University of Texas Bureau of Business Research reported.

In comparison with August 1947, retail sales jumped 14 per cent.

Sales of durable goods stores stepped up eight per cent in August to a level 25 per cent above August 1947. Motor vehicle dealers tallied an 18 per cent rise over July, for the greatest increase among durable goods stores. Except for declines of four and 14 per cent in hardware and farm implement sales, all stores in the durable group reported gains over July sales.

All durable goods stores except hardware and jewelry showed August 1948 sales above a year earlier. Motor vehicle and farm implement dealer sales were up 33 percent; and lumber and building material dealers, 25 per cent.

Nondurable goods stores turned in a four per cent dip from July sales, as most stores in this category reported decreases. Despite higher prices, August 1948 sales were unchanged from a year earlier.

Food store sales fell 10 per cent

from July, as all types reported August sales from seven to nine per cent less than a month earlier. In the 12-month period, food store sales expanded three per cent.

Apparel store sales lagged four per cent from July; restaurants, five per cent; country general and drug stores, three per cent; and florists, two per cent.

E. S. Stewart, Abilene business and civic leader, has been named Texas State Chairman for the 1949 March of Dimes, Basil O'Connor, president of the National Foundation for Infantile Paralysis, has announced. The March of Dimes, conducted in January of each year, is the sole support of the foundation, with its 2,800 local county chapters.

### SONS ENROLL IN COLLEGE.

Le Roy Daniel, a senior, is a law student in Texas University, Austin; and Guy Daniel is a senior in the school of accounting at Texas A&M College.

## Two Days at State Fair To Be For Negroes

Negro organizations throughout Texas are cooperating to make the two Negro Achievements days at the 1948 State Fair, the largest gatherings of their kind in Texas history.

Monday, October 11, has been designated as Junior Negro Achievement day and Monday, October 18, has been selected for Senior Negro Achievement day.

More than 16,000 rural Negro youths are expected to attend to see the presentation of the state fair's sterling silver Texas Honor Awards to the outstanding Negro 4-H club members, new farmers and new homemakers from each Texas district.

## Two Win Safety Prizes In Celotex Competition

Prizes for safety suggestions, entered in the monthly contest at the Celotex Corporation's Hamlin plant, were won by W. M. Mayfield, and O. L. Wallace, Ted Armstrong, works manager, announced this week.

Mayfield won first place and an award of \$5, while Wallace was given second place and a prize of \$250. Both men had won previous monthly contests.

## West Texas Fair To Open Session Monday, Sept. 27

Annual West Texas Fair will be officially opened in Abilene Monday September 27 at 2:00 p. m. with a gala parade of pagentry, cowboys, floats and school bands from several towns in West Texas. Immediately following the parade, the gates at the Fair Grounds will be thrown open and the 1948 edition of the West Texas Fair will be presented to the public. The fair is scheduled to run through Saturday, October 2.

A variety of educational and entertainment features is expected to draw a record crowd to this regional show. Of primary interest to the many ranchers and farmers of this area will be the fine registered livestock which will be shown. The livestock shows will be the most special divisions open only to members of the 4-H Clubs and FFA will be held for the following types: Chapters of West Texas. Shows of livestock: Herefords, Jerseys, sheep, goats, swine, milk goats poultry, Palmino horses, quarter horses and rabbits. An added attraction to the farmers and ranchers will be the exhibition and demonstration

each day of the latest farm equipment.

In the lighter vein, the fair will present a Broadway Variety Show each night to be followed by a Performance Horse Show, and for the horse race enthusiasts, a three day race meet will be held for quarter horses during the last three days of the fair.

## Payne Funeral Is Conducted Monday At Cottonwood

Funeral services for Albert Payne, former resident of Hamlin, were conducted in the Cottonwood Baptist Church, near Cross Plains, at 3:00 o'clock Monday afternoon.

Payne died in the family home near Cross Plains last Saturday afternoon following an illness of more than six months duration. He was 65 years of age.

Born in Callahan County, Payne had spent all of his life in central and West Texas. For 10 years he lived in Hamlin where he was a team contractor. He moved from here to Cross Plains in 1938.

Rev. Burdick, pastor of the Cottonwood Baptist Church, had charge of funeral rites, and burial was in the Cottonwood Cemetery.

Payne is survived by his widow of Cross Plains; two daughters, Mrs. W. C. Hargrove of Hamlin and Mrs. Vernon Adams of Levelland; two sons, Hugh and Sherman Payne, both of Cross Plains; and two sisters, Mrs. Tom Bruce of Cross Plains and Mrs. Elam Irvin of Snyder. He is also survived by six grandchildren.

The questions and answers below about veteran problems are carried as a service to former service-connected personnel by The Herald. Material for the column is supplied by the area office of the Veterans Administration at Lubbock.

Q—I intend to be a bartender and would like to know if I can take a course in bartending under the G-I Bill?

A—First, you must submit to VA complete justification that the course is in connection with your present or contemplated business or occupation. Then you must receive VA approval before you start training.

Q—May I complete my last year of grade school and take a commercial course under the G-I Bill?

A—Yes.

Q—What does VA supply to the disabled veteran if he is enrolled in a school, or if he is enrolled in on-the-job training?

A—For each disabled veteran in school, VA will furnish tuition, fees, books and equipment, provided they are required by other students taking the same course. On-the-job trainees will receive tools and equipment for their job training, also provided they are required of all other trainees taking same course.

Q—Does VA lend money to the veteran for the purchase of homes or businesses?

A—VA does not lend money to the veteran for homes or businesses. He makes his own arrangements for the loan through the usual financing channels. VA then guarantees the lender against loss up to 50 per cent of the loan, with a maximum guarantee of \$4,000 on real estate and \$2,000 on non-real estate loans.

Q—Who is eligible for a Federal grant to purchase or remodel a home?

A—Any veteran of war or peace-time service who served in the armed forces since April 21, 1898, and who has a permanent and total service-connected disability due to a spinal cord disease or injury, resulting in paralysis of the legs and the lower part of the body, is eligible to receive a Federal grant for the purpose of purchasing or remodeling a specially adapted home.

## Haskell Fair Scheduled to Open for Three-Day Run with Gigantic Parade

A gigantic parade, led by the from Seymour and Munday high McMurry College band, and bands schools, will open the annual Central West Texas Fair, scheduled to get underway at Haskell, Thursday, October 7.

Many other school bands and pep squads are expected to be present for the festivities on opening day, which has been designated as "Children's Day."

All school children will be admitted to the fair grounds free as guests of the fair association on opening day, it was announced this week. Most of the schools in Haskell County will close for the occasion to enable students to attend the festivities.

An extensive building and repair program has been underway in the fair grounds for the past several weeks, and officials have said that all buildings and sheds will be in good condition for the start of the exposition.

Heavy demands for exhibit space have assured the exposition a full slate of exhibits, including: agriculture, livestock, women's work, clubs, art, textiles and farm equipment.

The poultry division, enlarged to include exhibits from all parts of Texas, is expected to have many entries from the west Texas. More than \$2,600 in premiums are being offered in all divisions of the fair this year.

A carnival will occupy the midway to provide entertainment for those who like shows and rides.

An added feature this year will be

the cowboy entertainment events. Directed by Buster Shelton, Haskell cattlemant, the events will include junior cowboy and cowgirl riding contests, senior cutting horse contests, senior reining contests, and senior jackpot roping contest. Several hundred dollars are being offered in prizes.

Haskell business men are planning a booster trip to surrounding towns to advertise the fair.

### MISSIONARIES VISIT.

Dr. and Mrs. W B Glass of Fort Worth, who has spent more than 40 years as missionaries to China, were guests of Dr. Glass' sister, Mrs. Etta Stevenson, in Hamlin this week.

## Dennis Johnson Heads Hamlin's Senior Class

Dennis Johnson was elected president of the Hamlin senior class last week in a business meeting of the group.

Elected to serve with Johnson were: Joe Ford, vice president; Ann Agnew, secretary-treasurer and Vannie Huling, reporter.

Class sponsors chosen by the seniors are: Mrs. Mart Farrow, Mrs. Holly Toler and B. V. Newberry. Class parents are: Mr and Mrs Stanley Carmichael, Mr and Mrs Johnnie Agnew, Mr and Mrs Carl Young and Mr and Mrs Elmer Terrell. The sweet pea was selected as the class flower, and maroon and gold were chosen for class colors.

Paul Bryan attended the Shriner's Convention in San Antonio this week.

## Crowds View New Kaiser Sedan on Display in City

Scores of people from Hamlin and vicinity have visited the Irwin Motor Company, to view the 1949 m del Kaiser sedan on display this week, according to Jim Irwin, manager.

An interior styling and exterior color program that is entirely new has been developed for the 1949 version of the Kaiser sedans, Irwin said.

The styling program extends even to a selection of six colors in rubber pads and floor mats. Eighteen body colors and 16 harmonizing fabric shades, plus three selections of vinyl plastic, are available.

In Kaiser deluxe models the body

color in which each car is finished is identified by a chrome script plate on the front fender.

In addition to innovations in the styling and color, the Kaiser has incorporated more than 100 other changes, Irwin said.

## Sentinels of Health

Don't Neglect Them!

Nature designed the kidneys to do a  
marvelous job. Their task is to keep the  
flowing blood stream free of an excess of  
toxic impurities. The act of living—its  
life—is constantly producing waste  
matter the kidneys must remove from  
the blood if good health is to endure.  
When the kidneys fail to function as  
Nature intended, there is retention of  
waste that may cause body-wide dis-  
tress. One may suffer nagging backache,  
persistent headache, attacks of dizziness,  
getting up nights, swelling, puffiness  
under the eyes—feel tired, nervous, all  
worn out.  
Frequent, scanty or burning passages  
are sometimes further evidence of kid-  
ney or bladder disturbance.  
The recognized and proper treatment  
is a diuretic medicine to help the kidneys  
get rid of excess poisonous body waste.  
Use Doan's Pills. They have had more  
than forty years of public approval. Are  
endorsed the country over. Insist on  
Doan's. Sold at all drug stores.

## POT-SHOTS FROM McCAULLEY

GEORGE DARDEN

The McCaulley gin had ginned 104 bales of cotton up to Saturday night, September 18. The amount compares with 70 bales ginned up to September 20 last year.

Mrs M D Brown, Route 1, McCaulley hands up a subscription for The Herald. Thanks.

Rev. C E Dick, pastor of the McCaulley Baptist Church for over 16 years, resigned as pastor last Sunday. Rev. and Mrs. Dick will make their home near Crosbytown. Due to poor health and two major operations Rev. Dick thought it advisable to discontinue as pastor but will continue to preach when able to do so. Community will no doubt feel a loss in the moving of Mr. and Mrs. Dick. His association with all of us has been one of appreciation and we shall long remember him and his work among us. Our best wishes go with the Dick family. A silver tea in their honor sponsored by the membership of the Church was held Monday night.

The George Darden family visited Darden's parents in Girard last Sunday.

Funeral services were conducted for Lt. Joe (Buddy) Boyd in the Baptist Church last Thursday. Burial was in the Abilene Cemetery. Many out of town friends and relatives were here, including Mr. and Mrs. G E Williams from Cooper, former residents of McCaulley and uncle and aunt of Buddy.

Mr. and Mrs. Luther Maberry visited their daughter, Patsey, at McMurry College Thursday of last week.

Little Margaret Mary Maberry is spending the week with grand parents Mr. and Mrs. J M Humphries.

Mr. and Mrs. Willard Maberry left last week for Temple where Willard will undergo treatment in a Temple hospital.

Texas politicians may keep on wrangling over the senators race until Johnson and Stevenson may neither get their name on the ticket in time for the November election and in that case Texas will likely elect a "dad burn" Republican.

Mrs. Smith, mother of Mrs. Roy Hemmington, underwent surgery in an Abilene hospital Wednesday of this week.

Football season opened in McCaulley last Friday with the local high school team defeating Sylvester high by the score of 6 to 0.

It was a good game all the way and most of the game was played in midfield. McCaulley's lone score came when Howard Fought playing in the back field received a kickoff in early part of the game and galloped the length of the field through the Sylvester defense for a touchdown. Attempted place kick was blocked. Sylvester played a good game but never was a threat in offensive plays.

Rufus Herbst sold 31 head of calves to Frank Martin of Hamlin last week at a reported price of \$3,600.

J P Humphries traded his chek and a couple of brood mares to Sol Mauldin for a registered Hereford bull last week.

Rufus Herbst purchased a new Ford tractor from a Rotan dealer last week and plans to work a large garden another year.

Lon Andress has purchased a residence in Hamlin and plans to move to his new home by the first of October.

An airplane buzzed McCaulley the other day with a loud speaker system advertising the air show in Abilene.

Mr. and Mrs. Frank McCasland from Fort Worth are visiting their son and family, Mr. and Mrs. Tom McCasland.

Enter get our subscription in folks for The Herald we have several names from The Herald office stating that subscriptions are about to expire on your paper.

### Deacons Are Elected For Baptist Church

Members of the First Baptist Church of Hamlin elected four deacons in a brief business session of the church Sunday morning.

Those selected from a list of nominations are: Lester Moton, J C Turner Jr., Ira Clements and Delma Shelburne.

The four will be ordained in a special service to be held within the next few weeks.

### ROACH GOES TO HOSPITAL.

Billy Roach left this week for clovis, New Mexico, where he entered the Santa Fe Hospital for treatment of a leg injury.

## 234 Texas War Dead Come Home for Burial

The bodies of 234 young men from Texas were enroute to their homes this week as the US Army Transport Sergeant Morris E. Crain, neared San Francisco with bodies of 3,536 Americans who loss their lives in the Pacific war.

Bodies of war dead originally buried in Manila and on Saipan are being returned for burial in family cemeteries, according to the War Department.

None of the dead being returned are from the Hamlin area.

## Personal News:

Mrs Wanda Sowell of Fort Worth was a guest in the home of Mrs. Sowell's parents, and her daughter, Lenda Elaine and Mr. and Mrs. J O Parker last week-end.

Miss Ruby Joyce Redus, daughter of Mr. and Mrs. W R Redus has enrolled in Texas Tech at Lubbock, where she will be classified as a senior student.

Joe Fudge and J Bill Sauls were called to Crowell this week because of the serious illness of their grandfather, J. H. Sauls. The condition of Sauls was reported to be critical.

Mrs H F Patterson of Sulphur Springs is a guest this week of her sister, Mrs. Etta Stephenson in Hamlin.

Mrs Laura Bell Stephens and daughter, Mrs. Lou Dan Martin, have moved to Lubbock to make their home.

## Vaccinate Tots, Health Officer Urges Parents

An interesting sidelight on public health in Texas was revealed in the morbidity report of the Texas State Department of Health for the week ending August 28, which showed a total of two cases of smallpox for this year, while in the same period there were 58 cases of diphtheria.

Commenting on these comparative figures, Dr. George W. Cox, state health officer, said that diphtheria is as readily controlled by immunization as is smallpox, but that apparently the public has failed to recognize this fact, or to act upon it.

Ordinarily the immunity provided by diphtheria toxoid lasts a child until he is of school age, however a Schick test should be given before the child enters school. If needed, an additional shot of toxoid should be administered.

"When all children are routinely

immunized against this dreaded disease, it can be virtually eliminated as the health hazard that it now is, to the boys and girls of Texas," Dr. Cox declared.

Mr and Mrs Armend Smith have returned to their home in Dallas after spending two weeks as guests of Mrs Smith's parents, Mr. and Mrs. J F Mabery of McCaulley. While visiting in McCaulley, Mr and Mrs Mabery and Mr and Mrs Smith drove to Carlsbad, New Mexico, where they visited the caverns. They also visited Mr and Mrs. Elton Allison in Tahoka and friends in Lubbock.

John P Etheridge of Hamlin was admitted to Hendrick Memorial Hospital in Abilene last week for medical treatment.

Mr and Mrs Dewey Mabee of Wichita Falls spent several days this week as guests of Mr and Mrs Henry Marchman in Hamlin.

## Pipers Hold Top Spot; Meet Spur

### Abilene B Defeated Game Here Friday

Holding the top position in the District 6-A competition, the Pied Pipers of Hamlin were preparing this week for the long trek to Spur, where they will play Friday evening.

The Pipers, sparked by the elusive tactics of tiny Joe Ford, trounced the Abilene Eaglets on the home field last Friday evening. The score was 13 to 6.

Hamlin's fleet-footed halfback, Ford, heaped honors upon himself and his team by scoring three touchdowns. He scored early in the first quarter on a 40-yard dash, and again in the second and third quarters with short runs around the end.

Hamlin made 148 yards to 77 for Abilene, and the Pipers completed two out of six pass attempts, while the Eaglets completed five out of 13.

Abilene's Charles Dennis was outstanding for the visiting team. He tossed 13 passes, seven of them good for 86 yards. One of these passes, a 30-yard throw to Robert Jones, left end for the Eaglets, resulted in the only touchdown for Abilene.

The Pipers were looking forward hopefully to the game with Spur Friday night, and Coach Jesse Burditt said he believes the team is in top condition. No player is out of the game because of injuries.

Burditt said the locals will face tough competition when they meet T. Aldrich, Spur's stellar halfback. In a game last week with Haskell Indians Aldrich made 75, 60 and 44 yards in three tries. He is a 3-

year letterman. Haskell defeated Spur 26 to 6.

The Pipers will have the same starting lineup as last week, unless Hamlin wins the kickoff. In that case, Burditt said, Joe Ford, will not be in the starting lineup.

The standing of teams, in percentages, in District 6-A (West) as of last week was:

Team—	P	W	L	Pct
Hamlin	2	1	0	.750
Rotan	2	1	1	.500
Roscoe	2	1	1	.500
Colorado City	2	1	1	.500
Snyder	2	0	2	.000
Merkel	2	0	2	.000

## Eradication of Rats in Hamlin Is Urged by CC

A campaign to eradicate rats in Hamlin was discussed at a meeting of the board of directors of the Hamlin Chamber of Commerce Tuesday morning, and plans were made for inaugurating such a program here.

Mrs. E. M. Wilson, secretary of the body, was instructed to write to the typhus control division of the state health department for full information concerning such a campaign.

Rats have been appearing in Hamlin in increasing numbers since feed crops have been harvested in nearby fields, it was pointed out, and their presence in town constitutes a menace to health.

The State Health Department has conducted rat killing campaigns in various parts of the state with considerable success, the board was told. A recent campaign in Abilene resulted in the killing of hundreds of the destructive rodents.

## Migratory Labor Camp Reopened in Hamlin

Reopening of the migratory labor camp in Hamlin was voted at a meeting of directors of the Hamlin morning.

W. L. Beavers was put in charge of the camp, which has been made ready to take care of the transient labor groups coming through here.

The camp is designed for providing shelter for cotton pickers who come here for the harvest.

## Assembly of God to Have Revival Meeting

The first service in a revival meeting will be held in the Hamlin Assembly of God Church on South Central Avenue, Sunday evening, September 26.

The meeting will be directed by the pastor, Rev. Lester N. Woods, who recently came here from Phoenix, Arizona.

Special music will be presented each evening, Rev. Woods said. The public is invited to attend.

## Tax Statements Ready for Mail By October 1

Hamlin taxpayers will receive statements of their 1948 taxes about October 1, Mrs. Clinton Barrow, city tax assessor and collector, said this week.

Mrs. Barrow has been working on the statements, getting them ready for mailing and said the task will be completed before the latter part of next week.

A total of \$22,277.39 in taxes are shown on the 1948 rolls from an assessment, rendered and unrendered, of \$1,485,141, Mrs. Barrow revealed.

Taxpayers may pay their taxes during October and receive a three per cent discount. If paid during November the taxpayer will earn a two per cent discount, and if paid during December the discount will be one per cent.

The net amount will be due if property owners wait until January 1 to pay the tax bill, and a penalty will be added if the tax is not paid before January 31.

Mrs. Barrow urged property owners to take advantage of the larger discount by paying when the tax rolls are first opened after October 1.

## Mighty Mice Face Merkel in First Game of Season; Unbeaten 2 Years

Hamlin's junior football team, the Mighty Mice, will face the Merkel team on the Hamlin field Thursday night, and will make a tremendous effort to retain their long record of wins.

The Mighty Mice have been unbeaten in two seasons, and Coach John Howell said his team is shaping up nicely for the opening game of seven seasonal contests.

Daily drill has been the lot of team aspirants since the boys were issued uniforms several weeks ago. More than 75 boys have reported out for training.

The game will be played in the Hamlin park and will be called at 8:15.

Starting lineup for the Mighty Mice will be: Loyce Hargrove LE; Clark Howit, LT; Donald Armstrong LG; D-N Johnson C; Kevon Rogers RG; Guy Weaver RT; Robert Fletcher RE; Marvin Johnson QB; Charles Early RH; Troyce Hargrove LH; Milton Butler FB.

## Trades Day Program Continued 6 Months

Hamlin's Trades Day program, which brings hundreds of nearby residents to town each Wednesday, will be continued for at least another six months if business houses want it to continue.

Support of the program was voted at a meeting of the board of directors of the Hamlin Chamber of Commerce Tuesday morning.

Business firms now cooperating in the trades day feature will be given an opportunity to determine if they wish the program to be extended for the next half year.

### FANCHER ENLISTS.

James Arnold Fancher, 30, son of Mrs. Iva Fancher of McCaulley, has enlisted for service in the Army according to an announcement made by the Sweetwater Recruiting Station.

I. R. Hutchingson, superintendent of Hamlin Schools, is shown receiving keys to the 1949 Ford coupe from Art Carmichael of the Hamlin Motor Company. The car was furnished the school for the purpose of establishing a driver training class, which is taught by Joe Douglas.

## A HOLIDAY FOR THE FIREMAN...

### New Fireless Record Believed Set in Hamlin After 40 Days Without Blaze

Hamlin's volunteer fire department has had more than 40 days of leisure, while the siren that wails the mournful tidings of a destructive blaze somewhere in Hamlin, has been silenced.

What is believed by Fire Chief Mickey McGuire to be an all-time record of fireless days has been set by the long absence of alarms.

He said the present record extends farther than an like term for the past 20 years, and it is believed that no similar time in the history of the department has passed without at least a small blaze.

Hamlin has not had even a false alarm since August 10, McGuire said. It was on that date that a fire swept through the home of Freddie Thompson in the northeast part of town and destroyed the house and contents. Loss in that blaze was at \$1,500.

Several weeks went by last year, McGuire said, without a fire, but the present 43-day record tops last year's record by more than 10 days.

Members of the fire department had their fingers crossed this week, and were involving every other form of superstition and voodoo in an effort to ward off a destructive blaze in Hamlin.

"After so many weeks of extremely hot and dry weather," McGuire said, "we are afraid that a fire would be hard to handle, especially if one should get a good start before the department arrives."

The fire chief warned residents to be extremely careful with grass and trash fires, and to take every precaution to prevent accumulation of fire hazards in the houses and outbuildings.

The chief and members of the department would like to run the fireless record up to at least 100 days without a blaze.

## High School Singers Entertain Lions Club

A program of music furnished by members of the high school glee club entertained the Hamlin Lions Club at the Tuesday noon luncheon meeting.

Introduced by James Marshall, five girls sang several selections. The singers are: Bobbie Ruth Brown, Ann Agnew, Barbara Rogers, Delores Jones and Janet Bonner. Marshall played several piano selections for the club.

## Hamlin High School Lists New Students

Students enrolled in Hamlin High School for the first time were listed this week as members of the faculty and the student body welcomed them.

Those listed are: Nadine Blount from Quanah, senior; James Marshall from Ballinger and Billy Roach from Belen, New Mexico, juniors; Clovis Williams from McCaulley, and Billy Sutherland from Seymour, sophomores; Melba Hale, Sweetwater, John Morton, Post; Barbara Posey, Chillicothe; Dorothy Turner, Irving and Jackie Williams, McCaulley, freshmen; and Billy Hazelwood, Monahans, eighth grade.

## Cub Scout Meeting is Set for Next Tuesday

Parents of all boys of Cub Scout age, and boys who are eligible for membership in the pack, are invited to attend the monthly Cub Scout meeting Tuesday evening.

The meeting is scheduled for 7:30, according to J. Cleo Scott, and will be held in the Grade School Auditorium.

## Two Wells Near Hamlin Complete For Production

Two wells in the Hamlin field, west of here in Fisher County, were completed this week with good production in both, and arrangements were made for drilling of two others, reports from the field indicated Wednesday.

The No. 3 G A P.e. drilled by Dr. W. H. Bryant, gauged 240 barrels of high grade oil after it was put on test last week-end.

Dr. Bryant skidded the rig this week to a new location, 933 feet north of the Poe No. 3 where he will begin drilling within a few days on the No. 4 well.

The Ashby Drilling Company No. 2, was completed this week with good production seen by oil men, but no official gauge had been made prior to Wednesday. The well is located on the G A Poe land.

The Ashby Company skidded the derrick to a 46-acre tract where they will put down an offset to the Bryant No. 1 well.

In the Noodle Creek production area one mile west of McCaulley, Humble Oil & Refining Company was trying for completion on two new producers, the No. 1 Jeannette Nickless and the No. 2 W F Davidson.

The No. 2 Nickless, 660 feet from the north and east lines of the southeast quarter section 60 HT&B survey block 1, had been cemented off at bottom and perforated with 175 gallons of acid. After the treatment it swabbed 10 barrels of fluid per hour. Swabbing and testing was being continued.

On the No. 2 W F Davidson, 660 feet from the north and 1,930 feet from the west line of the southwest quarter of section 59 block 1 HT&B survey, completion was being attempted. The well had been treated with 280 gallons of acid and swabbing produced a small amount of oil. It was to be reacidified in an effort to increase the oil yield.

## Lions Officials At Zone Meeting Monday

Three officials of the Hamlin Lions Club attended a meeting of Zone 2-E clubs in Merkel Monday Chamber of Commerce Tuesday night, where a banquet was served and business matters were discussed.

Those attending from Hamlin were: Stanley Carmichael, Onis Crawford and Clarence Bailey. The giving of reports at the meeting required two full hours, Bailey said.

## BROTHERS UNDER THE SKIN...

### Warlike Friendship of American and Chinese to Bring Both Together Here

A common bond—faith in God—which led an American filer and a Chinese college student into close friendship during the dark days of World War II, will bring them together again in the First Baptist Church of Hamlin Friday night.

The two—former Lieutenant Ernest Winter, now a dental student in Baylor University, and Joe Ma, a member of the Chinese underground—will appear on the program at a meeting of the Hamlin Baptist Brotherhood, when both will be in the program.

The Brotherhood meeting has been set for 7:30, according to Lester Morton, president, and members are urged to bring their wives. In fact, Morton said, any person, whether a Baptist or not, is invited to attend.

The story of Winter and Ma reads like a tale of sheer fiction—fiction with a happy ending.

Winter, a pilot of the U. S. Navy Hellcat, was caught alone, high above the clouds off the coast of Formosa, by a swarm of Jap Zeros.

The battle was brief but violent. A burst of machinegun fire sent Winter's Hellcat spiraling to the sea, leaving a swirling trail of smoke. The Zeros, pulling back into formation, went zooming on their way.

Winter, uninjured, jumped just as his plane hit the waves, and a nearby Chinese fishing boat picked him up out of the water and took him to friendly Chinese on the coast.

It was then that he started the

long and hazardous trip to the American lines, more than 500 miles to the west.

A few days after his rescue, Winter met a young Chinese who could speak fluent English. He was Joe Ma, a former student at a Methodist school.

Ma undertook the perilous job of guiding Winter to the safety of the American lines, and it was through their association on that long trip that they became close friends. The two men from far-distant lands had found a common bond—faith in God.

After the close of the war Winter returned to his native Lubbock. He told the story of Joe Ma to influential friends in Lubbock, and one of them decided to do something to help the young Chinese student.

The result was that Ma and his young bride, Villa Lin, were furnished tickets and expense money for a trip to the United States, where both of them entered Texas Tech. Ma is studying mechanical and industrial engineering and his wife is a student of home economics.

Joe and Lilia Mr. and Mrs. Morton will all be present at the Brotherhood meeting Friday night, and will appear on the program.

Morton said he believes a firsthand account of the story-book adventures which resulted in the coming together of the four will be of interest to many Hamlin people.

## Directors Debate Fate of Hospital

### Suit for Receiver May Be Filed Soon

Fate of the Hamlin Memorial Hospital was being debated Thursday afternoon in a meeting of the unofficial board of directors, who met in offices of the Farmers & Merchants National Bank at 4:00 o'clock to discuss the situation.

Starr Inzer, who had been named manager of the hospital upon the resignation of Bowen Pope, presented the situation to the directors and asked for full discussion. He requested each man present to express his opinion on the matter in an effort to learn all facets of public opinion.

Inzer has prepared a full inventory of the hospital assets and has made arrangements for instituting

## Hamlin Square Dancers Bid to Governor's Ball

An invitation to the Hamlin Square Dance team to perform at the inauguration of Governor Beauford H. Jester in January has been received by Mrs. I. R. Witt, one of the members of the organization.

The Hamlin group danced 19 exhibitions last year at the Texas Square Dance Festival, and has been invited to participate in 12 exhibitions at the inaugural in Austin.

The invitation came this week from the Henlee Square Dance Studio in Austin, which has been given the responsibility of providing dance entertainment for the governor's inauguration.

The Hamlin team has also been invited to attend the West Texas State fair in Abilene next Tuesday night, where it will participate in square dancing activities.

Members of the local team are: Mr. and Mrs. I. R. Witt, Mr. and Mrs. Buck Wilemon, Mr. and Mrs. Gean Witt and Mr. and Mrs. Guy Jones of Rotan.

### ATTEND BETHANY COLLEGE.

Three Hamlin young people have enrolled in the Bethany-Peniel College, Bethany, Oklahoma, for the current term. They are: Ralph Johnson, Milton Johnson and Bess Jones.

suit to ask the court for appointment of a receiver, if the other members of the board deemed such a move wise.

If the directors vote for receivership for the institution the suit will probably be filed within a few days for action by the present term of district court in Anson, Inzer said.

After presentation of the situation in an article in The Herald two weeks ago many business and civic leaders have expressed their opinions that no other course would be practical, and the consensus was that a receivership would be the best answer to the hospital's seemingly unsolvable problems.

In the meantime operation of the institution was being carried on smoothly, with patients receiving full attention. The hospital has been placed under the management of Dr. J. F. Hocutt and Dr. E. L. Haag pending settlement of the situation.

If a receiver is appointed by the court the directors will attempt to liquidate the indebtedness of the hospital by sale of the property to doctors who will agree to continue the hospital here.

Under the present set-up, it was planned, it is necessary to have at least three-fourths of the 451 stockholders present at a meeting in order to make any changes in the by-laws or constitution. It has proved impossible to secure attendance of that many people at a meeting, Inzer said.

Total indebtedness of the hospital is approximately \$28,000, and the institution has an appraisal value of approximately \$30,000.

## Fair Boosters Rotary Guests Here Wednesday

A group of 34 business and professional men from Abilene visited Hamlin Wednesday to advertise the West Texas Fair, which will open in Abilene Monday for a week's run.

After visiting various business houses in Hamlin, members of the group were guests of the Hamlin Rotary Club at the weekly club luncheon in the Morgan House.

A brief program was presented in which John Womble, secretary of the Abilene Chamber of Commerce, acted as master of ceremonies.

Womble introduced individuals from Abilene and made a short talk inviting Hamlin's support of the West Texas Fair.

"It is not the Abilene fair," he said, "it belongs to all of West Texas. Without the cooperation of Jones County and Hamlin and other areas the fair would be a dismal failure."

A musical program was presented by the stringed band known as the West Texans.

The Hamlin club voted commendation to B. W. Pope, member of the local organization, who has completed 17 years of perfect attendance as a Rotarian.

## McMurry Lost Game; Hamlin Players Star

McMurry College, Abilene, lost its opening football game to the Texas College of Mines in a game at Odessa Saturday 33 to 14, but two Indian players, both from Hamlin, assumed stellar roles in the tussle.

Brad Rowland, 180-pound back of Hamlin was a standout in running, passing and line-driving. Les Cowan, 235-pound end, also of Hamlin, was no less spectacular in his tricky pass-catching from Rowland and Vernon Townsend. His biggest catch of the evening was a 29-yard pass from Rowland that brought the crowd to its feet cheering.

The Indians are scheduled to play East Texas Baptist College in Abilene Saturday, September 25.

### RADIO PROGRAM PLANNED.

A mock radio program is being planned for presentation in the First Baptist Church by members of the young people's group, Saturday night, September 25. The program will open at 7:30. Radio stars to be presented will be "Frank Sinatra," "The Denning Sisters," "The Andrews Sisters," "Frankie Carter," and others.

## Back to First Principles

There is not even a remote possibility that J. Strom Thurmond will be elected president of the United States this year. There is not even a remote possibility that he will gather enough electoral votes to be a major contender.

But the campaign being waged by Thurmond will serve an excellent purpose in this nation, even though he himself goes down in obscure defeat.

For far too many years the trend of government has been away from local control, and toward a centralized power in Washington. For far too many years politicians have wilfully ignored the direct mandates of our constitution and have slowly but surely taken from the states their right of self-determination.

The Thurmond movement is focusing attention to the fact that this nation has almost lost its original identity as a federation of sovereign states and has become almost a huge federal bureaucracy, with powers of close control over the lives and activities of its citizens.

Whether one agrees with Thurmond on his ideas of racial segregation or not, it must be admitted that this is a problem to be worked out in each state, individually, within limits of the constitution.

And whether one accepts Thurmond's arguments against the anti-lynching laws this too is a matter which constitutionally is reserved for decision by each separate state.

The wise men who drew up our constitution seem to have foreseen just such a situation as we are facing today. They must have known that a central government would tend to take upon itself powers never granted it by the constitution. That is why they wisely set out specifically the powers that should inure to the federal government and expressly reserved all other powers to the separate states.

Our republican form of government is created on the premise that the people would have control of their government, rather than that the government should control the people. But the trend in recent years has been one of regimentation and control and of departure from the political faith of our fathers.

Mr. Thurmond may never come near to being elected president but he is calling the attention of the people in a dramatic way to the fact that states rights must be restored if we would preserve our democratic form of government.

## The Production of Men

Devoted exclusively to the mental, moral and physical development of boys, the Boy Scout movement in America has grown to be one of the most vital influences in our country in the molding of character.

Many people who are not familiar with the complete scouting program are likely to believe that it consists only of hikes, outings and entertainment. Not so. The Boy Scout movement is grounded in a foundation much deeper than the physical, it finds its strongest roots in the spiritual nature of the youths it serves.

Many unselfish men and women in Hamlin have devoted much time to the development of Boy Scout work here, and to them is due all honor. They are giving freely of their time and their money, but the investments they are making will pay dividends of the richest kind.

The boys they work with now will be men in a few more years, and they will be men with high ideals, strong bodies and healthy minds because of this training they have been given in scout work.

It would be a wholesome thing if adults, too, would learn by memory, and repeat often the Scout oath: "Upon my honor I will do my best to do my duty to God and my country; to obey the Scout law; to help other people at all times, and to keep myself physically strong, mentally awake and morally straight."

Of such ingredients are built men—men who make good citizens.

## A Proud Record

The fireless record set in Hamlin during the past more than 40 days is one that should be viewed with pride by all residents of our town. Not often can a city of this size go more than 30 days without a blaze of some kind, and few of them can find any month in which some destructive blaze did not occur.

The long record without a fire alarm is due largely to the caution of citizens, who have demonstrated that fires can be kept to a minimum. Some of the credit, however, belongs to members of the Hamlin Volunteer Fire Department, which has worked hard during the past few years to educate Hamlinites on the dangers of fires.

It would be well for each of us to set to ourselves the task of seeing that the fireless record, already covering almost two months, is stretched out for many more days.

### Are You Going Thru

## CHANGE of LIFE?

### causing you to suffer from HOT FLUSHES?

Does the functional 'middle-age' period peculiar to women (38-52 yrs.) make you suffer from hot flushes, feel so nervous, high-strung, irritable, weak? Then try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. It's famous for this! Taken regularly—Pinkham's Compound helps build up resistance against such 'middle-age' distress. It's what Doctors call a uterine sedative. It positively contains no opiates—no habit-forming drugs. Pinkham's Compound helps nature (you know what we mean). It's also a great stomachic tonic! ## A plus in any bus!

When you switch to Conoco N<sup>th</sup> Motor Oil and an OIL-PLATED engine, you get these triple advantages...

(1) Extra protection from power-clogging sludge and carbon due to wear; (2) extra protection from metal-eating combustion acids; (3) extra protection from destructive "dry" friction starts.

Because Conoco N<sup>th</sup> Motor Oil (Patented) fastens an extra film of lubricant so closely to metal surfaces that working parts are actually OIL-PLATED! This extra film stays up on cylinder walls... won't all drain down, even overnight. For plus performance... full-time protection... more miles per quart...

## Texas Tech Registers 4,186 for Fall Term

Enrollment at Texas Technological College, Lubbock, for the 1948 fall semester reached 4,186 last Friday afternoon with 2,000 additional applicants expected to complete registration in time for classes Monday morning.

Approximately 2,000 students a day were registered under the new system instituted by the registrar's office this year, eliminating long lines and the usual "bottle-necks."

W. P. Clement, registrar, estimated the enrollment will reach 6,500, which is almost 400 students more than attended the first term last year.

An official count of new students indicates the freshman class will have 1,300 members, and about 1,200

## Santa Fe Caladings For Week Take Drop

Carloadings on the Santa Fe railroad for the week ending September 18 were down slightly from the corresponding week of last year, a report issued Wednesday revealed.

For the week ending September 18, 1948 carloadings were 26,182 compared with 28,993 for the same week in 1947.

Of the new students on the campus are transfer students from other colleges in Texas and out of state.

## Veterans Can Get Life Insurance Policy Reinstated

World War II veterans still can reinstate their National Service Life Insurance, the Veterans Administration says.

Some veterans are under the impression they can no longer obtain this government insurance. World War II veterans who can pass a physical examination may reinstate their lapsed insurance at any time.

The deadline for reinstating NSLI without a physical examination was July 31, 1948, VA explained. Prior to the deadline, a veteran could reinstate lapsed insurance by certifying that his health was as good as it was when the policy lapsed.

This deadline confused some veterans who feel that they cannot reinstate lapsed insurance since the deadline passed. That is not correct, VA said.

Veterans may reinstate their insurance at any time by passing a physical examination. If the policy has lapsed less than three months, it still can be reinstated without taking the physical examination.

## Mr. and Mrs. Kemp Are Honored With Golden Wedding Celebration in Home

With all of their 12 children in attendance, Mr. and Mrs. Ben F. Kemp, pioneer McCaulley couple, were honored with a celebration of their fiftieth anniversary of their wedding in a celebration in the family home.

In addition to their 12 children, 11 of their 13 grandchildren attended the festivities, together with neighbors and friends from all parts of the surrounding area.

Mr. and Mrs. Kemp were married

in 1898. For five years after their wedding they rented land, but in 1903 they purchased the farm which has been their home since that time.

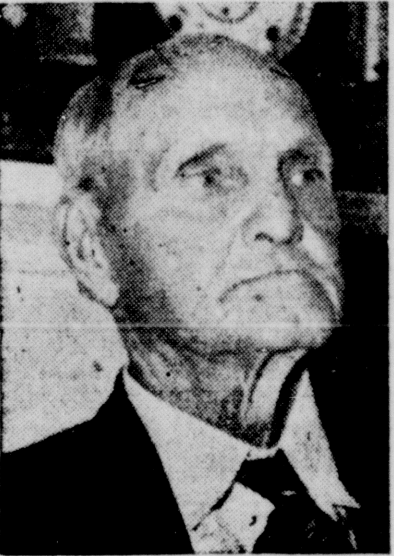

There has never been a death in the immediate family, Mrs. Kemp said, and added that neither had there ever been a divorce.

Kemp is a member of the Baptist Church, while Mrs. Kemp is a charter member of the McCaulley Methodist Church. She is also an active member of the McCaulley Home Demonstration Club, and has won trips to the A&M short course on two occasions.

Children and grandchildren who were present for the golden wedding celebration are: Mr. and Mrs. Ralph Kemp and son, Ralph Jr., Portales, New Mexico; Clyde Kemp, Post; Mr. and Mrs. Raymond P. Kemp and children, Donald Ray, Janell, and Judy, Sylvester; Mr. and Mrs. Frazier Kemp, Concho, Oklahoma; Mr. and Mrs. W J Kemp of Hamlin; Mrs. Ruth Crance and children, Patsy and Russell Jr., Arcadia; Mr. and Mrs. Rex Kemp and children, Jamie and Arminta, Roby; Mr. and Mrs. Fred Kemp and daughter, Ann, and Mr. and Mrs. Frank Kemp, McCaulley, Mr. and Mrs. Scott Lee and son, Freddie Wayne, Ponder; and Mr. and Mrs. Guy S. ## Novel Installation Is Conducted for Officers

A novel plan for an installation program was conducted by the Althean class of the First Baptist Sunday School when new officers were inducted Tuesday, September 14. The installation program was conducted in the home of Mrs. P. D. Harkins.

Mrs. Wallace Walton had charge of the program, which was a flower installation service. A large vase was placed on a center table, and as each officer assumed her duties a flower was placed in the vase until the bouquet was complete.

Officers installed and their flowers were: Mrs. I. D. Miller, president, represented by a gladiolus, which is a queenly flower.

Mrs. Ben Parker, membership vice president, a chrysanthemum; Mrs. B. W. Neidecken, stewardship vice president, a white carnation; Mrs. Marie Vaughan, class ministries vice president, a pink aster; Mrs. P. D. Harkins, fellowship vice president, a red carnation; Mrs. O. G. Harvey, secretary and Mrs. Earnest Lee, treasurer, marigolds.

Mrs. J. A. Strain, reporter, small chrysanthemums; Mrs. Oddis Hallmark, Mrs. Roy Brown, Mrs. Weldon Carter, Mrs. Kelley Scott and Mrs. E. B. Watson, group captains, red rose buds. A bow of ribbon was placed on the bouquet to represent the teacher, Mrs. Wallace Walton.

The bouquet was completed by the addition of fern and filler to represent members of the class.

Present for the ceremony were: Mrs. Floyd Briscoe, Mrs. Flora Carter, Mrs. O. G. Harvey, Mrs. Roy Brown, Mrs. F. D. Miller, Mrs. Oddis Hallmark, Mrs. Earnest Lee, Mrs. Ben Parker, Mrs. Wallace Walton, Mrs. C. B. Watson, Mrs. B. W. Neidecken, Mrs. Tom Vaughan, Mrs. J. A. Strain, and the hostess, Mrs. Harkins.

## Retail Sales in Texas Take Jump in August; All Items Show Big Increase

August retail sales in Texas climbed three per cent from July to an estimated \$435,000,000, the University of Texas Bureau of Business Research reported.

In comparison with August 1947, retail sales jumped 14 per cent.

Sales of durable goods stores stepped up eight per cent in August to a level 25 per cent above August 1947. Motor vehicle dealers tallied an 18 per cent rise over July, for the greatest increase among durable goods stores. Except for declines of four and 14 per cent in hardware and farm implement sales, all stores in the durable group reported gains over July sales.

All durable goods stores except hardware and jewelry showed August 1948 sales above a year earlier. Motor vehicle and farm implement dealer sales were up 33 percent; and lumber and building material dealers, 25 per cent.

Nondurable goods stores turned in a four per cent dip from July sales, as most stores in this category reported decreases. Despite higher prices, August 1948 sales, were unchanged from a year earlier.

Sood store sales fell 10 per cent

from July, as all types reported August sales from seven to nine per cent less than a month earlier. In the 12-month period, food store sales expanded three per cent.

Apparel store sales lagged four per cent from July; restaurants, five per cent; country general and drug stores, three per cent; and florists, two per cent.

E. S. Stewart, Abilene business and civic leader, has been named Texas State Chairman for the 1949 March of Dimes, Basil O'Connor, president of the National Infantile Paralysis, has announced. The March of Dimes, conducted in January of each year, is the sole support of the foundation, with its 2,800 local county chapters.

### SONS ENROLL IN COLLEGE.

The three sons of Mr. and Mrs. G. A. Daniel of Hamlin have enrolled for the fall term of school in Texas colleges. Barton Daniel, a junior, is studying aeronautical engineering in Texas University. Le Roy Daniel, a senior, is a law student in Texas University, Austin; and Guy Daniel is a senior in the school of accounting at Texas A&M College.

## Two Days at State Fair To Be For Negroes

Negro organizations throughout Texas are cooperating to make the two Negro Achievements days at the 1948 State Fair, the largest gatherings of their kind in Texas history.

Monday, October 11, has been designated as Junior Negro Achievement day and Monday, October 18, has been selected for Senior Negro Achievement day.

More than 16,000 rural Negro youths are expected to attend to see the presentation of the state fair's sterling silver Texas Honor Awards to the outstanding Negro 4-H club members, new farmers and new homemakers from each Texas district.

## Two Win Safety Prizes In Celotex Competition

Prizes for safety suggestions, entered in the monthly contest at the Celotex Corporation's Hamlin plant, were won by W. M. Mayfield, and O. L. Wallace, Ted Armstrong, works manager, announced this week.

Mayfield won first place and an award of \$5, while Wallace was given second place and a prize of \$250. Both men had won previous monthly contests.

## West Texas Fair To Open Session Monday, Sept. 27

Annual West Texas Fair will be officially opened in Abilene Monday September 27 at 2:00 p. m. with a gala parade of pagentry, cowboys, floats and school bands from several towns in West Texas. Immediately following the parade, the gates at the Fair Grounds will be thrown open and the 1948 edition of the West Texas Fair will be presented to the public. The fair is scheduled to run through Saturday, October 2.

A variety of educational and entertainment features is expected to draw a record crowd to this regional show. Of primary interest to the many ranchers and farmers of this area will be the fine registered livestock which will be shown. The livestock shows will be the most special divisions open only to members of the 4-H Clubs and FFA will be held for the following types: Chapters of West Texas. Shows of livestock: Herefords, Jerseys, sheep, goats, swine, milk goats poultry, Palmino horses, quarter horses and rabbits. An added attraction to the farmers and ranchers will be the exhibition and demonstration

each day of the latest farm equipment.

In the lighter vein, the fair will present a Broadway Variety Show each night to be followed by a Performance Horse Show, and for the horse race enthusiasts, a three day race meet will be held for quarter horses during the last three days of the fair.

## Payne Funeral Is Conducted Monday At Cottonwood

Funeral services for Albert Payne, former resident of Hamlin, were conducted in the Cottonwood Baptist Church, near Cross Plains, at 3:00 o'clock Monday afternoon.

Payne died in the family home near Cross Plains last Saturday afternoon following an illness of more than six months duration. He was 65 years of age.

Born in Callahan County, Payne had spent all of his life in central and West Texas. For 10 years he lived in Hamlin where he was a team contractor. He moved from here to Cross Plains in 1938.

Rev. Burdick, pastor of the Cottonwood Baptist Church, had charge of funeral rites, and burial was in the Cottonwood Cemetery.

Payne is survived by his widow of Cross Plains; two daughters, Mrs. W. C. Hargrove of Hamlin and Mrs. Vernon Adams of Levelland; two sons, Hugh and Sherman Payne, both of Cross Plains; and two sisters, Mrs. Tom Bruce of Cross Plains and Mrs. Elam Irvin of Snyder. He is also survived by six grandchildren.

The questions and answers below about veteran problems are carried as a service to former service connected personnel by The Herald. Material for the column is supplied by the area office of the Veterans Administration at Lubbock.

Q—I intend to be a bartender and would like to know if I can take a course in bartending under the G-I Bill?

A—First, you must submit to VA complete justification that the course is in connection with your present or contemplated business or occupation. Then you must receive VA approval before you start training.

Q—May I complete my last year of grade school and take a commercial course under the G-I Bill?

A—Yes.  
Q—What does VA supply to the disabled veteran if he is enrolled in a school, or if he is enrolled in on-the-job training?

A—For each disabled veteran in school, VA will furnish tuition, fees, books and equipment, provided they are required by other students taking the same course. On-the-job trainees will receive tools and equipment for their job training, also provided they are required of all other trainees taking same course.

Q—Does VA lend money to the veteran for the purchase of homes or businesses?

A—VA does not lend money to the veteran for homes or businesses. He makes his own arrangements for the loan through the usual financing channels. VA then guarantees the lender against loss up to 50 per cent of the loan, with a maximum guarantee of \$4,000 on real estate and \$2,000 on non-real estate loans.

Q—Who is eligible for a Federal grant to purchase or remodel a home?

A—Any veteran of war or peace-time service who served in the armed forces since April 21, 1898, and who has a permanent and total service-connected disability due to a spinal cord disease or injury, resulting in paralysis of the legs and the lower part of the body, is eligible to receive a Federal grant for the purpose of purchasing or remodeling a specially adapted home.

## Haskell Fair Scheduled to Open for Three-Day Run with Gigantic Parade

A gigantic parade, led by the from Seymour and Munday high McMurry College band, and bands schools, will open the annual Central West Texas Fair, scheduled to get underway at Haskell, Thursday, October 7.

Many other school bands and pep squads are expected to be present for the festivities on opening day, which has been designated as "Children's Day."

All school children will be admitted to the fair grounds free as guests of the fair association on opening day, it was announced this week. Most of the schools in Haskell County will close for the occasion to enable students to attend the festivities.

An extensive building and repair program has been underway in the fair grounds for the past several weeks, and officials have said that all buildings and sheds will be in good condition for the start of the exposition.

Heavy demands for exhibit space have assured the exposition a full slate of exhibits, including: agriculture, livestock, women's work, clubs, art, textiles and farm equipment.

The poultry division, enlarged to include exhibits from all parts of Texas, is expected to have many entries from the west Texas. More than \$2,600 in premiums are being offered in all divisions of the fair this year.

A carnival will occupy the midway to provide entertainment for those who like shows and rides.

An added feature this year will be

the cowboy entertainment events. Directed by Buster Shelton, Haskell cattlemant, the events will include junior cowboy and cowgirl riding contests, senior cutting horse contests, senior reining contests, and senior jackpot roping contest. Several hundred dollars are being offered in prizes.

Haskell business men are planning a booster trip to surrounding towns to advertise the fair.

### MISSIONARIES VISIT.

Dr. and Mrs. W B Glass of Fort Worth, who has spent more than 40 years as missionaries to China, were guests of Dr. Glass' sister, Mrs. Etta Stevenson, in Hamlin this week.

## Dennis Johnson Heads Hamlin's Senior Class

Dennis Johnson was elected president of the Hamlin senior class last week in a business meeting of the group.

Elected to serve with Johnson were: Joe Ford, vice president; Ann Agnew, secretary-treasurer and Vanne Huling, reporter.

Class sponsors chosen by the seniors are: Mrs. Mart Farrow, Mrs. Holly Toler and B. V. Newberry. Class parents are: Mr. and Mrs. Stanley Carmichael, Mr. and Mrs. Johnnie Agnew, Mr. and Mrs. Carl Young and Mr. and Mrs. Elmer Terrell. The sweet pea was selected as the class flower, and maroon and gold were chosen for class colors.

Paul Bryan attended the Shriner's Convention in San Antonio this week.

## Crowds View New Kaiser Sedan on Display in City

Scores of people from Hamlin and vicinity have visited the Irwin Motor Company, to view the 1949 model Kaiser sedan on display this week, according to Jim Irwin, manager.

An interior styling and exterior color program that is entirely new has been developed for the 1949 version of the Kaiser sedans, Irwin said.

The styling program extends even to a selection of six colors in rubber pads and floor mats. Eighteen body colors and 16 harmonizing fabric shades, plus three selections of vinyl plastic, are available.

In Kaiser deluxe models the body

color in which each car is finished is identified by a chrome script plate on the front fender.

In addition to innovations in the styling and color, the Kaiser has incorporated more than 100 other changes, Irwin said.

Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out.

Frequent, scanty or burning passages are sometimes further evidence of kidney or bladder disturbance.

The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body wastes.

## POT-SHOTS FROM McCaULEY

GEORGE DARDEN

The McCauley gin had ginned 104 bales of cotton up to Saturday night, September 18. The amount compares with 70 bales ginned up to September 20 last year.

Mrs M D Brown, Route 1, McCauley hands up a subscription for The Herald. Thanks.

Rev. C E Dick, pastor of the McCauley Baptist Church for over 16 years, resigned as pastor last Sunday. Rev. and Mrs. Dick will make their home near Crosbytown. Due to poor health and two major operations Rev. Dick thought it advisable to discontinue as pastor but will continue to preach when able to do so. Community will no doubt feel a loss in the moving of Mr. and Mrs. Dick. His association with all of us has been one of appreciation and we shall long remember him and his work among us. Our best wishes go with the Dick family. A silver tea in their honor sponsored by the membership of the Church was held Monday night.

The George Darden family visited Darden's parents in Girard last Sunday.

Funeral services were conducted for Lt. Joe (Buddy) Boyd in the Baptist Church last Thursday. Burial was in the Abilene Cemetery. Many out of town friends and relatives were here, including Mr. and Mrs. G E Williams from Cooper, former residents of McCauley and uncle and aunt of Buddy.

Mr. and Mrs. Luther Maberry visited their daughter, Patsey, at McMurry College Thursday of last week.

Little Margaret Mary Maberry is spending the week with grand parents Mr. and Mrs. J M Humphries.

Mr. and Mrs. Willard Maberry left last week for Temple where Willard will undergo treatment in a Temple hospital.

Texas politicians may keep on wrangling over the senators race until Johnson and Stevenson may neither get their name on the ticket in time for the November election and in that case Texas will likely elect a "dad burn" Republican.

Mrs. Smith, mother of Mrs. Roy Hennington, underwent surgery in an Abilene hospital Wednesday of this week.

Football season opened in McCauley last Friday with the local high school team defeating Sylvester high by the score of 6 to 0.

It was a good game all the way and most of the game was played in midfield. McCauley's lone score came when Howard Fougt playing in the back field received a kickoff in early part of the game and galloped the length of the field through the Sylvester defense for a touchdown. Attempted place kick was blocked. Sylvester played a good game but never was a threat in offensive plays.

## Vaccinate Tots, Health Officer Urges Parents

An interesting sidelight on public health in Texas was revealed in the morbidity report of the Texas State Department of Health for the week ending August 28, which showed a total of two cases of smallpox for this year, while in the same period there were 58 cases of diphtheria.

Commenting on these comparative figures, Dr. George W. Cox, state health officer, said that diphtheria is as readily controlled by immunization as is smallpox, but that apparently the public has failed to recognize this fact, or to act upon it.

Ordinarily the immunity provided by diphtheria toxoid lasts a child until he is of school age, however a Schick test should be given before the child enters school. If needed, an additional shot of toxoid should be administered.

"When all children are routinely

immunized against this dreaded disease, it can be virtually eliminated as the health hazard that it now is, to the boys and girls of Texas," Dr. Cox declared.

Mr and Mrs Armond Smith have returned to their home in Dallas after spending two weeks as guests of Mrs Smith's parents, Mr. and Mrs. J F Mabery of McCauley. While visiting in McCauley, Mr and Mrs Mabery and Mr and Mrs Smith drove to Carlsbad, New Mexico, where they visited the caverns.
